

## Changing the Accent LED Overlay / 更換雷雕導光飾板

Follow the steps below to change the Accent LED Overlay.

請參考以下步驟更換雷雕導光飾板。

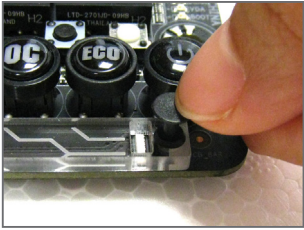

### Step 1:

Use your needle-nose pliers to squeeze the tabs of the fasteners that secure the Accent LED Overlay to the motherboard as shown, and then remove the fasteners.

步驟一：

請使用尖嘴鉗小心將插銷夾緊退出雷雕導光飾板孔。

### Step 2:

Position the included Accent LED Overlay to the Accent LED Overlay holes and push the fasteners into the holes to secure the Accent LED Overlay.

步驟二：

將欲更換的雷雕導光飾板以插銷安裝至飾板孔位後，再將插銷向下壓入即可。
